HS-i250

Luxury Headphones with Mic for Apple

Genius ®
Live with Ideas

Listen to your favorite music and take calls with the latest modern style mobile headset from Genius, the HS-i250. It features a smart three-button remote with an omni-directional microphone. With the integrated microphone and call button you can use this headset for music as well as calls from your mobile phone. The in-line remote is lightweight, durable, and perfect for your mobile lifestyle. You can adjust the volume, control the music and video playback, or answer calls from your iPhone easier. The angled design and the perfectly sealed ear buds block out background noise. Two ultra soft silicon caps fit securely in your ears comfortably. Enjoy premium sound and show off your style with the HS-i250 triangle design headphones featuring full-range enhanced audio drivers and a blend of vintage and modern design.
